“ Education is not the amount of information that we put into your brain and runs riot there, undigested, all your life. We must have life building, man making and character making assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library... ”

- Swami Vivekananda (1863 - 1902)

FROM THE SECRETARY DESK :

At Wilfred's we aim at providing quality education along with holistic development of the students. Education is all about drawing out inner and latent talents of students. We strive for academic and professional excellence. We are enabling the students to grow up to be analytical, investigative, inquisitive, introspective and task-oriented giving and experiential learning that will enable them to enrich others lives and enhance their academic achievement and a wealth of opportunity offered to pursue their career goals. For this the group has a team of well qualified and experienced faculty members and experts providing guidance who are always ready to solve any problems and keen to help the students in their studies for pursuing their desired goals. From the last Fourteen Years, the Institute is endeavoring hard to achieve the cherished dreams and is touching pinnacle of success in educational sector.

I extend my warm wishes to all the new comers and seniors. My heartiest felicitations to the dedicated and devoted faculty members who are doing noble task of teaching and contributing for the homogenous society. I pray to the almighty for their success and bright future. May the Goddess Saraswati always shower her blessing on us to follow the path of truth, honesty and success.

Wishing you success in all your endeavors.

Shri . Suresh Kumar Gupta

- Chairman

St. Wilfred's Education Society

The educational scenario in the recent past has witnessed manifold changes in the academic inclinations of the young minds. The ever-growing globalization and resurgence of open economy have led to an enormous demand for qualified youth bearing academic excellence.

The St. Wilfred's Group of Institutions has been set up under the aegis of St. Wilfred's Universe with a view to promote quality higher education which is innovative and need based

As we accompany the students through their college life preparing them for the known and unknown experiences and challenges of the third millennium, we rekindle their enthusiasm and help them to be good human being determined to preserve the legacy of this beautiful world.

We welcome those who wish to be the unfurling companions on this odyssey of intellect and emotion of this family, each member exhibiting a sense of pride and an awareness of the obligation that comes from being a part of it.

Wishing you success in all your endeavors.

Dr. Keshav Badaya

- Honorary Secretary

St. Wilfred's Education Society

Knowledge comes from learning. Widsom comes from living.

OUR VISION :

Mission :

- To nurture our intellectual capital through a perfect blend of the traditional as well as contemporary ways and means, for the comprehensive development of the society.
- To provide a conducive environment for proper harnessing latent talent of students and encourage them to take initiatives for the development of their personality.
- To sensitize learners towards inclusive social concerns, human rights, gender and environmental issues.

Vision :

Be like a Diamond precious and rare work hard till success comes your way, hurdles will soon fade away and you will surely have your way. Being a prime institute of city we aspire that every pupil of institute should touch the pinnacle of his respective stream. We envisage that every seed sown by us should flourish into a giant tree. Beyond this we implore divine for his Grace that we may accomplish our destination.

Quality Policy :

- St. Wilfred's Group of Colleges strives to achieve and sustain excellent quality education for the empowerment of students and constantly identify and encourage talent help them to excel in their respective fields by promoting academic excellence, employability and leadership with social commitment.

The salient features of our quality policy are :

- Inculcating moral and ethical values among the students and staff.
- Ensuring continual improvement of quality management systems.
- Maintaining state of the art infrastructure and congenial learning environment.

A place to learn, a place to flourish, a place to nurture values, a place to develop personality.

About Architecture

St. Wilfred's Institute of Architecture has been established with the following prime objectives :

- Creating a new generation of well trained Architects to design Hi-Tech modern building.
- Training the students about Environmental sustain ability and designing of Green building.
- Teaching the students about energy efficiency and cost effectiveness in buildings.
- Training the young Architects about designing structurally safe and disaster resistant buildings.

Our Bachelor of Architecture Degree

St. Wilfred's Institute of Architecture has been established with the following prime objectives

- We comprise the foundation for academic excellence, preparing students to enter a full complement of design and technical courses.
- Bachelor of Architecture is a rigorous and involved Under graduate degree and it requires students to engage in a mature and informed way. Instruction, lectures, films, and field trip led by faculty are scheduled during the courses.
- The Bachelor of Architecture Program is five years in length and is fully accredited by the Council of Architecture. The program provides preparation for a required architectural internship then entry into the practice of architecture.

The great aim of education is not only acquiring of knowledge but ACTION.

COURSES OFFERED :

B. ARCH - (5 YEAR DEGREE COURSE)

Architectural course applies principles to the construction, planning, and design of building and other structures. The Programme aims at achieving a high level of appropriate quality in architecture design throughout this five year programme we strive to provide a comprehensive architecture training which we consider open avenues to several other vocations and jobs prospects for personal benefits of the scholars in public, private, NGO and Multinational Corporate Sectors.

The Curriculum

The curriculum consists of courses centered around an Integrated Design Studio Sequence with focus in various areas :

Integrated Architectural Design Studios, Fundamental University Courses and Electives, History, Drawing and Digital Media, Building Technology, Environmental Technology, and Professional Practice. The curriculum is designed to facilitate comprehensive learning in five major areas.

Critical Thinking

Research and analysis in Architecture through understanding the socio-cultural context and the study of history and theory for the creation of build environment.

Design

The core capability to actually produce Architecture thought reflection and invention achieved thought putting together various skill of parts with their parameters in coherent and harmonious relationships.

Building

The physical and technical aspects through a thorough understanding of the materials, their behavior and their adaptability to various purposes, towards, conception, development and implementation in design.

Representation

The communication to choose the correct means, to develop a requisite skills across a wide range of media (drawing, writing and model making) and tools (hand skill, computers and various materials)

Social Engagement

The ability to manage a profession to be responsible and efficient and so act not only legally and ethically but also critically and affirmatively in society.

Education is all about holistic development of the student.

AMINITIES & FACILITIES :

Library : The college library is well stacked and provides an excellent study base for students and the teachers alike. The students have a free access to a wide variety of study material, encyclopedias and DELNET. Besides this, the library subscribes to a number of national and international journals and Hindi and English dailies. Special efforts are made to inculcate good reading habits in the students.

Auditoriums : A large spacious fully air conditioned auditorium caters to the need of the appropriate ambience to conduct various cultural events, competitions, auditions and other activities.

Seminar Hall : A well furnished seminar hall with the latest technical amenities is open to the students for making effective presentations. It is meant for organizing seminars thus aiding in presentations.

Laboratories are spacious, well equipped with latest apparatus and sophisticated equipments. Most of the labs are High-Tech labs and used for Research work.

Activity Room : The college has an active Physical Education Department providing games and sports facility with specializations in basketball, Cricket, Volleyball, TT, Badminton and a number of indoor games.

Class-rooms : The students' satisfaction is of paramount importance for the college. For providing them satisfaction, the college has evolved effective method of teaching and have good seating and lighting. Smart Boards and OHP's are used as teaching aids.

Hostel : The College has separate hostel facilities for boys & girls. The hostel rooms are comfortable, well lit, well ventilated and provide a congenial atmosphere to live and study.

Cafeteria : The college has a spacious cafeteria which provides hygienic and fresh meals as well as snacks. Special monitoring is done on the quality of the materials served.

Gymnasium : An air conditioned well equipped gymnasium is open for the students who wish to workout under the expert guidance of qualified instructor.

Conveyance Facility : The ride to the college is made easier by the college transport which is available to the students on payment basis.

Security and Safety : The College offers a very safe and secured environment with Close Circuit Cameras installed at all important places and round the clock security. The college also has fire fighting equipments in place.

Success comes when preparation meets opportunity.
